GRC Oatley Senior Campus offers Year 11 and 12 students the opportunity to study for the HSC in a young adult learning environment, preparing you for the next stage of your life in a manner no other school can.

Offering over 80 senior subjects, Oatley has the broadest senior curriculum of any school or College in NSW. We offer all levels of all subjects studied as well as a broad range of Vocational Educational subjects.

Oatley Senior Campus is focused on developing students who are not only academically successful but who are thoughtful citizens who contribute to their local community in a positive manner.

Leadership plays an important role in the lives of our young people. Students are encouraged to develop and practice leadership skills. These are skills which will carry them forward into the future. We have a unique prefecture system which allows every student to have their leadership roles acknowledged.

Past year 12 students comments:

"I love it, I never want to leave."

"The teachers here know just what you need to do to succeed."

"I have known much kindness here." International Student

"The Campus facilities are fantastic, the Campus runs just like a university."
