**Presidents Report** – Kevin Manners

Firstly, I want to thank the parents for their support and assistance throughout the year.
It always amazes me how much can be done by just a handful of parents, and as you will see by the list below, this year we have achieved so much.
The P&C, teachers and staff have been able to work together, not only giving the school and students better resources, but hopefully a friendlier standing in our community.
As a P&C, each year we keep trying to make this school a better place, for all the students here at Peakhurst, and I’m pretty sure we have done that again.

**Carmel O’Shea** (school Office Manager) – gave an overview of the schools financial situation. There is an internal financial issue with the school financial system which is preventing the contributions from the school to be passed onto the P&C. An interim payment will be made to cover our present financial commitments.

**Treasurer’s Report** – Mark Bancroft

Audit has been completed (by Debbie Lee – Narwee Preschool, Office Manager)

- Total income $10,969.20 (student donations, fundraising and interest)
- Total expenditure $13,297.01 (P&C Affiliation and Insurance, school equipment, social events, awards, expenses, etc.)
- Available funds $0.00 – (due to schools financial system)

(All members must be financial – All present paid 50 cents)

Before the members of the P&C stood down and all positions declared vacant Kevin thanked the outgoing team;
Nicole (Senior Vice President)
Tracey Breen (Junior Vice President)
Sharon Kelly (Secretary)
Mark Bancroft (Treasurer)
Kathy and Leanne in the uniform shop
and everyone that has supported our kids, here at Peakhurst Campus
All positions were declared vacant. Terry started to chair the meeting for the election of office bearers.

Terry called for nominations and then votes were held

P&C team for 2015 – by unanimous vote

**General Business**

**Bus Fund**

This was money was donated by various community groups and the P&C, to buy a school bus, with emphasis on the special needs students.

Some suggestions were air-conditioning in the special needs classrooms and another suggestion is the updating of the school sign.

It was formally noted that the bus fund will be closed and those monies moved into the P&C account.
