As part of enrolment in the Selected Enrichment Class, students have agreed to participate in at least four extracurricular activities throughout the year. It is expected that they will participate in one ICAS competition in each of the curriculum areas of English, Mathematics, Science and HSIE. Participation in other activities provides them with an educationally enriching environment. Some of the activities being offered to Year 7 students this year (2014) include:

- SMH Young Writer’s Competition
- ICAS English competition
- Public speaking
- School debating teams
- What Matters 2014
- ICAS Computer Skills Competition
- ICAS Mathematics Competition
- Problem of the Week (starting Term 2)
- Robotics
- Wool Fashion Drawing Competition – June
- Father’s Day Masterchef Challenge - September
- ICAS Science Competition
- RACI Crystal growing competition Term 2
- ICAS Geography competition
- Tutoring – instrument and vocal
- Vocal Group
- Concert band
- Guitar Group
- Drum Group
- Peakhurst’s Got Talent
- Peakform
- Peakview
- “Draw off”
- Silk Cut
- School Mural
- GAT Art Day
- Wheel pottery incursion

Other activities will also be offered throughout the year. Keep alert for them.
